This contract covers only single-family dwellings under 5,000 square feet, unless coverage on a home in excess of 5,000 square feet or a multiple unit dwelling is authorized by UHP and the appropriate fee is paid.

PLEASE CONTACT US AT 1-877-225-5847 FOR PRICE QUOTES FOR HOMES 5,000 SQUARE FEET OR MORE AND MULTIPLE UNITS.

This warranty covers only those items that are:

1. Listed as COVERED under Section C. and Section D. if applicable. The list of NOT COVERED components and appliances is not meant to be all-inclusive. Certain components and appliances listed as NOT COVERED are specified for illustration and not limitation. Certain limitations apply to covered systems and appliances. See Section L., Limitations On Liability.
2. Located in an owned or rented residential property. Any dwelling used in whole or in part for commercial purposes (including, but not

3. Located within the perimeter of the main foundation or the attached garage.
4. Correctly installed and operating properly on the effective date of this contract.

B. Warranties Available/Terms

Seller Home Warranty, Basic or Elite plan, which is placed on a home by a home seller at the time of listing and is effective immediately upon receipt and acceptance by UHP and continues for the remaining term of the listing contract, not to exceed one hundred and eighty (180) days provided the listing is being actively marketed and has not terminated, expired, or been withdrawn. By application and acceptance of a seller warranty, the appropriate fee is required to be paid to UHP at closing. The seller warranty may be extended at the sole discretion of UHP. The Seller Home Warranty will terminate upon transfer of title or cancellation of the listing contract. Upon transfer of title, the seller home warranty will transfer, at no additional fee, to the purchaser for a term of one (1) year, provided payment is received by UHP within ten (10) days of the date of closing. During the listing period, if the Seller vacates the property, the property must be maintained with all utilities (i.e. water, electric, and gas service) on, or the home must be properly winterized/safeguarded to protect against frost or other damage that might occur when vacant. If these requirements are not met, coverage may be terminated.

- 5. If this contract covers a condominium, UHP's responsibility for repairs or replacements shall be limited to an area within the contract holder's condominium, excluding common area.
- 6. Upgrading or improvement of systems, components, and items due to lack of capacity, failure to meet current building code(s) or zoning requirements is the responsibility of the owner and is not covered by this contract.
- 7. In the event of a joint well agreement, UHP shall be responsible for repair costs in proportion to the responsibility of the contract holder's share of the agreement.
- 8. Unless otherwise noted in the contract, UHP coverage will be limited to \$5,000 per occurrence/malfunction.
- 9. Contract coverage is limited to residential use of property.
- 10. Claims may not be submitted following the expiration date of the plan.
- 11. In the event a homeowner initiates a request for service on an item listed as covered, but the actual malfunction is proven to be associated with a non-covered item, the homeowner is responsible for any and all incurred charges due to the contractor. In the event the homeowner fails to pay the amount due to the contractor, UHP shall have no further responsibility under this contract until the amount is paid in full.
- 12. This contract does not cover claims to vacant properties that have not been properly winterized/safeguarded to protect against frost or other damage that might occur when vacant.

N. Waiver

In the event UHP should waive any of its contractual rights as to any claim, that waiver will not constitute a future waiver of said rights.

***P. Service**

1. When a malfunction occurs to a system or component covered by this contract requiring repair or possible replacement, the owner must telephone UHP at 1-877-225-5847 to request service.

DO NOT CALL A CONTRACTOR DIRECTLY TO HAVE WORK PERFORMED. Work performed without UHP's consent may not be reimbursed.

Your UHP representative will contact an approved UHP contractor to respond to the service call. UHP will make every effort to initiate service within 36 hours after receiving the service call during weekdays and within 48 hours for calls received on weekends and holidays. If an emergency condition exists, UHP will endeavor to proceed with urgency to expedite the service and the normal deductible charge will apply. It is the sole discretion of UHP to determine if an emergency situation exists. In the event the owner requires that a non-emergency malfunction be serviced during other than normal business hours, on weekends or holidays, the owner will be responsible for all costs over and above those charged during normal business hours.

2. A UHP authorized contractor must perform all repair or replacement work done under the terms of this contract. **Further, UHP may not be responsible for any expenses incurred by the owner without the express consent and approval of UHP.**

3. **The owner is responsible for a deductible charge of up to \$85 on each component or appliance malfunction referred to a UHP approved contractor/service technician.** The payment of the deductible charge is due when the service is performed and shall be paid by the owner to the authorized UHP contractor upon presentation of the bill to the owner. In the event the owner fails to pay the deductible charge, UHP shall have no further responsibility under this contract until the deductible is paid. An additional deductible will not be due by the owner if repairs made under this contract fail within 60 days of the date the claim was first submitted to UHP.

4. When the owner notifies UHP of a service requirement, the owner agrees to make the premises available during the contractor's standard rate hours to complete the service requested.

Note: the owner agrees to pay the service contractor for any expenses incurred if owner fails to provide access to the dwelling.

5. You must notify UHP immediately upon discovery of a mechanical failure for work to be performed under this contract. Notice of any service request must be given to UHP prior to expiration of this contract. Failure of the homeowner to furnish UHP notice of mechanical failure as specified in this section and in the application, and with the time required therein may invalidate or reduce a claim if UHP is prejudiced thereby and it was reasonably possible for the homeowner to meet the time limit.

6. UHP retains the sole option to repair or replace any system, component or other item. The homeowner will have the option to replace a malfunctioning system, component or item if that system, component or item is deemed repairable by a UHP approved service contractor. UHP will, upon receipt of a purchase invoice of a new appliance from the homeowner, provide a repair credit reimbursement based on the repair estimate by the UHP approved service contractor, less the deductible. When the homeowner elects to receive a repair credit reimbursement, the delivery, installation, and associated fees related to the new appliance or component will be the responsibility of the homeowner.

7. UHP will make every effort to provide replacement parts, systems or components of same or similar quality, when needed and available. Owner acknowledges that UHP will not be liable or responsible to provide an exact match in brand, dimensions, type, or color. UHP is under no obligation to upgrade or make improvements in the original systems, components, or appliances covered by this contract. When replacement equipment is not available due to changes in design or dimensions, the cost of construction or modifications made necessary due to such changes is the responsibility of the owner. The owner shall also be responsible for the cost of building and zoning permits deemed necessary and for the cost of handling of asbestos or other toxic materials.

8. The owner agrees that if any of the systems, components or other items covered by this contract are under other warranties or guarantees, the owner will provide in good faith to UHP and/or its contractor, all information, authorization, forms and other assistance needed to submit claims against the other warranties and guarantors for expenses incurred in repairing or replacement of the systems, components or other items.
